WHAT ARE YOU HOPING TO ACHIEVE BY JOINING THE LEADERS ADVANCE PROGRAMME?	

#### Commitment notes.

We recognise that events can change quickly and overtake diary plans. However, to get the very best from the programme, we are asking for a commitment to the entirety of all of the modules as well as make time to work on and apply the self-learning exercises, especially the personal development plan. Our booking form will confirm that programme fees are required upfront and a cancellation charge applies.

**Thank you for your application. One of our faculty will be in contact very soon to discuss with you.**
